### **Dan-Loc Group Promotes from Within**

**[www.danlocgroup.com](http://www.danlocgroup.com) offers 24/7 access for customer care chats, information requests, product and technical information, RFQ submission, brochure downloads and career information as well as enhanced newsroom and social media features.**

HOUSTON, TX. – Dan-Loc, a manufacturer of threaded products, gaskets and seals, and precision machined components for more than 50 years, is excited to announce the promotion of several long-standing Dan-Loc Group employees.

April Bixler has been promoted from Branch Manager to Branch Manager, Ohio. April has been with Dan-Loc for more than nine years. Her previous Inside Sales role and experience with Dan-Loc has contributed greatly to her role where she will assist in the development of forecasts, budgets, objectives, policies and programs for the branch's market opportunities in the Ohio region.

Stephanie Parker has been promoted from Office Manager to Branch Manager, Louisiana. Stephanie's role as Office Manager has prepared her for this new, exciting opportunity. She will be bringing her expertise, experience and skills honed in her previous role to ensure success directing sales, production, distribution and operations to this new position.

Yadira Garcia has been promoted from Facilities and Contracts Manager to Branch Manager, Houston. Yadira has been with Dan-Loc for more than 10 years and has successfully executed in her high-visibility roles. Her extensive experience in these positions, as well as tenure at Dan-Loc, will ensure she will continually exceed company expectations in service of our customers.

Nathaly Lopez has been promoted from HRA to HR Generalist. Nathaly has been instrumental in the success of the Dan-Loc HR department and will continue to run the daily functions of the department including hiring and interviewing, administering pay, benefits and leave and enforcing company policies and practices.

"Let us all take a moment to congratulate these women on their promotions and wish them luck in the future," said Dan-Loc President, Paul Diorio. "We have no doubt these employees will continue to brilliantly represent Dan-Loc and shine in their new roles."

### **About Dan-Loc Group**

Dan-Loc is a manufacturer and supplier of threaded products, gaskets and seals, API ring gaskets, and precision machined components. Dan-Loc manufactures products that serve the global oil and gas industry as well as the industrial, marine, power generation, and transportation industries. The Dan-Loc Group of companies has 188 years of combined manufacturing experience with each company recognized as a premier supplier of the highest quality industrial threaded products. Dan-Loc produces thousands of standard and special tap end studs, double end studs, continuous thread studs and nuts.

Dan-Loc has the manufacturing capacity, facilities, quality control, personnel and experience to meet the needs of our customers and the industries they serve. Dan-Loc can meet our customers' needs for high-quantity, long-run jobs as well as small, expedited, or rush orders.
